Senior Anti-Money Laundering Consultant, Protiviti, Toronto

SEPTEMBER 2018 – NOVEMBER 2019

- As a Senior AML Consultant I was a part of a large Remediation project working for one of the Canadian banks. My responsibilities included delivering high complexity investigations, conducting Quality Assurance testing, as well as coaching of the Junior Investigators.

AML/ATF Risk Analyst, Scotiabank, Toronto

FEBRUARY 2016 – SEPTEMBER 2018

- As one of the most experienced members of the team, was a Product owner and led a team of AML Investigators during a large scale Implementation project. Representing the client side, my team worked with the Scrum Master, Business Analysts, and Senior Managers to implement a comprehensive, enterprise-wide 'Ecosystem' (Oracle's Financial Crime and Compliance Management).
- Developed and implemented a tool that resulted in over \$300,000 in savings.
